

## Welcome to SLAC!

Whether you're brand new or just want a refresher, we think you'll find these technology resources immediately valuable as you start your career at SLAC.

SLAC IT is the central provider of technology services and a strategic partner for the SLAC community supported by IT professionals. Together, our goal is to ensure we provide the technology services, systems, and support that you need to do your work.

Technology tools to get started at SLAC		
	Checklist	Information and Resources
<input type="checkbox"/>	Email Client	<a href="#">Office 365 Web Mail Login</a> is the recommended cloud-based email tool and the Outlook desktop application is generally supported by SLAC IT. <b>Login credential:</b> SLAC ID
<input type="checkbox"/>	Forward your Stanford email to your SLAC email	<ol style="list-style-type: none"> <li>1. <a href="#">Log into Stanford Accounts</a></li> <li>2. Click the "email" tab</li> <li>3. Click "forward email"</li> <li>4. Check the second box that says "email address(es) below"</li> <li>5. Enter your SLAC email into the "Email 1" area</li> <li>6.
